Care To Share-A-Smile

The trust you have demonstrated by selecting our practice and your referral of others is sincerely appreciated. To express our appreciation, our "Care to Share" referral program is designed to both: thank you, our current patients, and to help your friends and family members learn more about our practice.

What is Care to Share

Many of you refer people to our office every day and we wanted to show our appreciation by developing this special program. Please, consider passing along one of our enclosed Care to Share cards to friends and/or family members so that they can join our growing family practice.

Here's how it works

Simply print a card below!! Place your name on the Care to Share cards and pass them along to friends, co-workers, or family members who may be interested in getting their teeth cleaned, dental implants, smile restoration, or other general dental treatment. Ask them to call and set up an appointment. Tell them to bring the card with them for their visit, so we will know to thank you in a very special way. **You will get the option of a free \$25 Visa gift card or a \$25 credit on your account.**

Sincerely,

Dr. Lori Bleeker & Staff
